

Biography

Edward M. Tomlinson, PhD
PO Box 680
Monument, CO 80132
(719) 488-9117
edtomlinson@appliedweatherassociates.com

Dr Tomlinson is President and Chief Meteorologist of Applied Weather Associates (AWA) in Monument, Colorado. Dr Tomlinson received a BA in Mathematics from the University of Richmond in 1966, and MS and PhD degrees in Meteorology from the University of Utah in 1974 and 1980. He served in the US Air Force for 21 years, was the research coordinator for the Cooperative Institute for Research of the Atmosphere at Colorado State University for three years and Chief Scientist for North American Weather Consultants for six years. The focus of activity at AWA has been site-specific probable maximum precipitation. Dr Tomlinson has been the project manager for numerous PMP studies including the EPRI Michigan/Wisconsin study. Recently completed site-specific PMP studies include the Cherry Creek Reservoir south of Denver and the Great Sacandaga Lake in New York. Dr Tomlinson teaches at the University of Colorado in Colorado Springs and is a member of the ASDSO Affiliate Member Advisory Committee.
